PETER TALBOT

OF

DORCHESTER, MASS.

AND

SOME OF HIS DESCENDANTS.

Peter Talbot of Dorchester and Some of His Descendants.

(Edited by EDWARD A. CLAYPOOL, Genealogist, Chicago.).

THE late Mr. Newton Talbot, of Stoughton, Massachusetts, a few years ago compiled and published a pamphlet of forty pages giving the genealogical history so far as known of Peter Talbot, the emigrant and some of his descendants. Only a small number were printed and the supply was soon exhausted. The data in this article down to Jabez Talbot is taken from the above to show the connection of the descendants of Jabez with their emigrant ancestor. The genealogy of the descendants of Jabez was compiled by Solomon Talbot, of Sharon, Massachusetts, now (1909) in his ninety-fifth year.

Mr. Newton Talbot in his pamphlet says: "The only events relating to Peter Talbot, contained in the family record of his son George and thus preserved, are, that he was 'born in Lancashire, Old England,' and that he 'died about 1704.' This is from my father's copy; but happily there are other sources of information, from which we are able to follow him during a great part of his life, after he settled in Dorchester. How early he arrived in this town is not known, but the first date we have is 1675, when he is found on the Dorchester tax list. He was in the military service before October 14, 1677, for on that date his military account is made up by the province treasurer, showing the amount due him to be 18*£*, 16*s.*, 08*d.* In 1679, he removed to Milton, where he remained until 1684, if not later, he being taxed there in a rate in January of that year. December 14, 1686, he was one of fifty persons who bought a large tract of land in that part of Chelmsford which has since become the city of Lowell. Two years later, he sold his undivided interest in this land, but retained a home lot that had been set off to him. He remained in Chelmsford until after March 16, 1691-2, for at that date he was on the rolls of the west regiment of Middlesex; but soon after returned to Milton where he was taxed in 1693 and 1694.

The latest date that has been found relating to him is May 4, 1704, when with his wife Hannah, calling themselves of Boston, they sold six acres of land in Chelmsford. His son, George, was a witness to the deed. It is probably a hundred years since Richard Talbot made this entry in his family record, relating to his great-grandfather, 'died about 1704,' and it was his belief, that about that time he undertook to make a visit to England and not being heard from afterward, was supposed to have been lost at sea or to have died soon after his arrival there. At any rate, no positive evidence has been found as to his decease.

The sale of the land in Chelmsford in the early part of 1704, a circumstance of which those who fix the time of his death would not be likely to have had any knowledge, adds to the probability that the date of his voyage to England, if he made one, is correct."

1. PETER TALBOT, the emigrant, was born about 1652; died about 1704. Peter Talbot³ filled many important offices in the town and parish, among which were Selectman and Member of the Committee of Correspondence during the War of the Revolution. Captain Peter Talbot marched from Stoughton on April 19, in command of a company of Minute Men at the time of the Lexington alarm; but as was the case with all the Minute Men from the south part of what was then Suffolk County, they did not start until the day of the battle.

20. JABEZ TALBOT⁴ (*Peter³, George², Peter¹*), son of Peter Talbot and Mary Bailey, was born April 20, 1753, at Stoughton, Mass., died December 8, 1816, at Stoughton, Mass. He was married January 22, 1784, at Stoughton, Mass., to SUSANNA

Jabez Talbot⁴ always made his home in Stoughton. In the settlement of his father's estate, he took the home farm, which he continued to occupy. For many years he taught school, getting the name of "Master Jaba," which he ever after retained, as a badge of honor. He, too, was prominent in town affairs, having been elected selectman in 1793, and being the only member of the board that resided in the Stoughton part of the town, at the time of the division. From his first election, he continued to be re-elected year by year, until 1810, when he requested the town to relieve him from further service, which it did with a vote of thanks for the acceptable manner in which he had performed his duties for the many years he had been in office. His health, being never robust, it is probable that after this time he did not give much attention to public duties and his death occurred a few years later.

Although educated for the ministry, Solomon Talbot preferred agricultural and industrial pursuits. Much of his time has been spent in genealogical and historical matters in Sharon and vicinity of which he is an authority.
